## "Keeping Families Connected"

June 2019

As the weather is heating up, make sure to put sunscreen on your child every morning. Please bring an extra bottle of sunscreen to keep at school so their teacher can re-apply it throughout the day. The bottle of sunscreen must be labeled with your child's first and last name.

We would like to encourage our parents to send washable water bottles to school with their children so they can stay hydrated. Please fill with WATER ONLY and label their water bottles with their name and the date.

Water Play Days start in June on Thursdays and Fridays. All students should be brought to school wearing their bathing suits with a full outfit (including shoes and underwear) packed in their backpacks. Also make sure to bring a towel, labeled with your child's name.

### Dates to Remember

Please bring your child to school in their bathing suits with water shoes and sunscreen already applied. You must pack an extra pair of underwear, clothes, shoes and a towel. Please make sure to label ALL of your child's belongings with his/ her name.

Dear Parents: Please make sure all billing, medical and attendance information is communicated through the front office. Teachers have been told not to give out their personal information such as phone numbers, email addresses or Facebook pages. Thank you.

Life Is  
Better In  
Flip Flops

Our Summer program for 18 months thru 5 years old will still include academics and developmental skills so our students may continue their education year round. The students will be wearing FREE dress for the summer time. They will also be having Water Play Days on Thursdays and Fridays. Please dress your child in their swimsuits and already coated in sunscreen on Thursday and Fridays starting on June 6th and 7th. Don't Forget! If you recommend someone who enrolls their child in our 2019-2020 school year, you will receive a \$100 credit on your account.
