

The Crossroads Connections

"Keeping Families Connected"

March 2020

Hello Parents! As we all know, the Flu bug has hit Las Vegas again. We are taking precautions at the school by promoting hand washing with the children, disinfecting toys and disinfecting classrooms on a daily basis. Please make sure your children

wash their hands with soap and water during drop off and pick up. This will help prevent the spreading of illnesses to you and your loved ones. Also, please wash your children's sheets/ blankets and sweaters/ coats EVERY WEEK to aid in stopping the dreaded Flu bug.

We are so excited for our 9th annual St. Jude's Trike-A-Thon, this month! Please make sure to have your child's permission slips turned into the front office for the Trike-A-Thon by Wednesday, March 4th and don't forget their helmet! If you would like to be a parent volunteer, please see the front office.

Miss Julie

I am so proud of my daughter, Miss Julie, for following in my footsteps of teaching young children. She has proven herself to be an excellent teacher! Her classroom runs like a smooth running machine and her students love her for it. She brings our Jr. Kindergarten program to a new level. When there are so many parents that have commented on how much of an amazing teacher she is, it makes me even prouder. I am happy to say that her classroom for the 2020-2021 school year is almost full already! Great job , Miss Julie! I am extremely proud of you! Thank you for all that you do.
