

The Crossroads Connections

"Keeping Families Connected"

April 2021

Happy April! We are excited to see that things are, slowly, going back to normal.

If your child is enrolled in our preschool program, they are set to continue through the summer unless we receive a 1-month notice. We also require a 1-month notice for schedule changes. If you would like to sign your Elementary Age child up for our Summer Camp, now is the time. We have limited spots and they are filling up fast!

We can't believe the school year is almost over. CCA is so impressed with all the progress that the children have made throughout this school year! We are excited to be a part of watching them grow!

Miss Emillie

Miss Emillie has been a loyal employee here, at Crossroads Christian Academy, for over five years and we are very proud she is part of our Crossroads family! She helps out wherever needed to keep our school shining. Miss Emillie is well loved by staff and especially the children. Thank you Miss Emillie for being a great team player!

Tammy's Tidbits

It's that time of year where our school gets busy, busy, busy! We are giving tours right and left plus all of our past students are returning back to school. Praise God, our school is one of the lucky ones to make it through the pandemic.

All of our "Spring" activities have started. Our 10th Annual Easter egg hunt was a blast; the kids were so excited to find the candy filled eggs! Now we are waiting for the caterpillars to arrive and the children will see, firsthand, the life cycle of butterflies. The teachers also have a lot of spring crafts and activities planned for the children, they are such amazing teachers!

Reminder: Teacher Appreciation week is coming up during the first week of May. I am surprising them with a special luncheon plus teacher appreciation gifts. I can't wait to see their faces. The luncheon will be on Friday, May 7th.

We are preparing for the Pre-K and Junior Kindergarten graduation ceremony. The children started practicing the songs and they are so adorable. The students will be wearing full caps and gowns but please dress them in their Sunday best for their singing performances. Last but not least, Miss. Katie has been working really hard on the 2021 yearbook and it is looking so amazing! If you have not purchased one, we do have at least 25 still available.

May your blessings be full of happiness!

Tammy Cross

Dear Parents,

Now that the weather is getting warmer, we are having more and more children leave their jackets at school. Please stop by the front office and take a look through the "Lost and Found" bucket to make sure your child isn't missing any jackets or clothing. During the summer, we will be donating all the left over items.

Thank you,
CCA Administration
